

Something To Say

By Robyn Habel © Albert Music 2010

Verse 1

I don't want to brush my teeth
I don't want to eat these peas
Why did my cat have to die?

I hate tangles in my hair
I hate having a nightmare
Why is the Murray going dry?

I don't wanna see
More sad news on TV

Verse 2

I don't want to do homework
I just want some more dessert
Why are there homeless on the street?

I don't want to clean my mess
I don't want to go to bed
Why is there oil in the sea?

I don't wanna see
More bad news on TV

Chorus

But hey, we got something to say
We gotta raise our voices today

When you and I
Are side by side
Side by side
We make it right

Verse 3

I want the front seat in the car
I don't want to drive this far
Why does my family have to fight?

I hate being called names
I hate taking all the blame
Why are the bushfires set alight?

I don't wanna see
More sad news on TV

Verse 4

I hate always being told
I hate ice cream that's too cold
Why is planet getting warm?

('Something To Say' p2)

I don't like it being small
I don't like it when I fall
Why do we have to go to war?

I don't wanna see
More bad news on TV

Chorus

But hey, we got something to say
We gotta raise our voices today

When you and I
Are side by side
Side by side
We make it right

Hey, we got something to say
And nothings gonna get in our way

You and I
Are side by side
And Side by side
We make it right

Bridge

We may be young
But we are strong
We may be young
But we are one

We may be young
But we grow strong
We may be young
But we are one

Coda

Hey hey, Hey hey
We gotta raise our voices today
Hey hey, Hey hey
And nothing's gonna get in our way
Hey, we got something to say
I said a hey, hey!
